## More Important News

### December Virtual Pack Meeting

As we have been trying this year, we will again have a virtual Pack meeting on Tuesday, December 15. We will be making ornaments. Materials will be provided at the Christmas Non-Caroling event. The Pack will be divided into two break-out rooms. Lions through Wolves will be making a beaded candy cane ornament and will not require any extra materials. Bears through W2's will be making a paracord candy cane ornament. They will require scotch tape, a lighter and a parent to help finish the ornament!

### Save the Date!

Hard to believe it is almost time for the Pinewood Derby! Save the dates of Friday, January 29 for race set up and possible check-in (undecided at this moment) and Saturday, January 30 for race day! More details will be shared at the caroling event. Due to Covid regulations, our Pinewood Derby will take place at The Mechanicsburg Club. Scouts will be racing in dens. Dens will be assigned times. Winners of each den will be given a time to come back later to do the final Pack race! More information to come!

### Virtual Camp

Due to COVID camping guidelines, we will not be able to hold our traditional Winter camp. However, we will be having a Virtual Camp February 19-21. Scouts will stay at home, create a "camp" site and work on STEM activities and advancements. A packing list and schedule will be shared at the Pinewood Derby.
